Township Engineer's Report
December 10, 2020

Active Projects:

1. Airport Bridge / Mulberry Bridge – Bid Documents competed and combined into a joint project.
2. McClay Bridge - Structural Engineer is finalizing design for bridge replacement.
3. 844 I&I – Flow monitors were installed last week in October and are currently collecting data. We should have some data to by next meeting.
4. Jefferson Ave Park – We will be meeting with the water company to coordinate the location for the tap.
5. Hickory Street Turnover – PennDOT agreed to grandfather Canton Twp. into the existing program. We will be starting our analysis of the road and generating a cost analysis for proposed repairs.
6. Griffith Water Line Break / Slide – The slide repair work is completed, and roadway is temporarily patched. Final pavement will occur this spring/summer once the water line upgrades are complete. Attached picture of repair work.
7. First Financial Resources subdivision – We have completed the review the applicant's subdivision and issued a comment letter requesting some modifications to the plan.
8. Running Brook – Completed a review the Hickory Street HOP and PennDOT's requested revisions. Attached picture of construction progress.
